

As you walk, bike, run, roller-blade, or enjoy the trails in your own way, be on the lookout for the items listed below. When you find something from the list, snap a photo *on the trail* as best as you can of that item AND yourself, then check it off! Make sure to bring a trash bag with you and be aware of any litter along the trails that you can help clean up!

Complete at least 10, and post your photos on social media with #WMTrailsDay to win the trail-tracking sticker water bottle! If you aren't on social media, you can still participate! Email your photos to info@wmtrails.org. Have fun!
